ACCOUNTANTS' COMPILATION REPORT

Officers and Trustees

AFSCME Local #3336

We have compiled the accompanying statement of assets, liabilities, and equity (income tax basis) of AFSCME Local #3336 as of November 30, 2009, and the related statements of revenue and expense (income tax basis) for the eleven months then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the accounting basis used by the organization for federal income tax purposes, which is a comprehensive basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared on the income tax basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's assets, liabilities, equity, revenue, and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to AFSCME Local #3336.
